Supporting Quote:

"Our initial public offering on the Shanghai Stock Exchange begins an important new chapter in the development of GigaDevice," said Zhu Yiming, Chairman and CEO of GigaDevice Semiconductor (Beijing) Inc. "This successful public listing was made possible by the support of our partner ecosystem, the guidance and assistance of regulatory departments and government agencies, the efforts of our employees, and the trust and confidence of our investors and customers. I want to offer our heartfelt thanks to each and every one of these friends and colleagues for helping us attain this milestone. As a publicly traded company, we look forward to collaborating with our investors, partners and customers not only for our collective mutual benefit, but to also share a better tomorrow."
